

Bisected by MN-29/Broadway Street, Historic Downtown Alexandria has been a destination for shopping, dining, and social activity for more than 150 years.

While the oldest existing business Downtown, Cowing Robards, was established in 1872, today you will find a variety of unique locally owned businesses including boutiques, restaurants, coffee shops, and more. The Downtown community is proud of our heritage and the timeless warm, welcoming experience we provide to each and every guest.

Downtown is also home to annual events such as parades, shop hops, Crazy Days, and the Garden of Lights walking light tour.

Visit **DowntownAlexandria.org** for event information.

We look forward to welcoming you to Downtown Alexandria!

Alexandria is located on the traditional ancestral land of the Dakota people, specifically the Mdewakanton, Wahpekute, Wahpeton, and Sisseton tribes. We acknowledge their past, present, and future generations to whom this land is sacred.
